Issue Date	10/08/2022	Document No	NSC-L01-02	
Page No	1 OF 1	Issue No	03	

**Navigator Shipping Company** confirms as a leading company in the field of shipping agency services its commitment to providing shipping services at the required quality levels within the specified period of time.

This is achieved through the commitment of top management to:

- Implementation of the Integrated Management System (IMS) in the company's strategies and operations.
- Compliance with laws and legislations related to environment, occupational health and safety.
- Embracing the future by providing knowledge and training on modern methods, and reviewing performance and efficiency on an ongoing.
- Enhancing awareness of quality, environment, occupational health and safety requirements to improve the confidence of all those dealing with the company.
- Continual improvement of all company operations and capacity development
- Commitment to instilling a culture of creativity and participation and the principles of professional ethics.
- Commitment to comply with compliance to combat financial and administrative corruption.
- We are committed to complying with the applicable environmental requirements according to the policies applied in the Libyan state.
- Compliance with the requirements of the international standards for quality management systems ISO9001:2015, environmental management systems ISO14001:2015 and occupational health and safety management systems ISO45001:2018.

The quality, environment and safety policies are reviewed periodically to ensure that they are appropriate for work developments and are announced and circulated to all company employees.
