Revision No.	00	Page No.	Page 1 of 1	

Navigator Shipping Company as a leading company in the field of shipping agency services confirms its commitment to providing shipping services at the required quality levels within the specified period of time.

This is achieved through the commitment of top management to:

- Use the latest scientific methods appropriate.
- Use qualified staff, with scientific and practical experience.
- Continual improvement of all company operations and capacity development.
- Commitment to foster a culture of creativity and participation, principles, and professional trust.
- Taking into account the requirements of occupational health and safety insurance in all the company's business.
- Compliance with Ideal Conformity, and combating financial and administrative corruption.
- Compliance with the requirements of the International Standard for Quality Management Systems ISO9001: 2015.

Quality policy has been announced to all employees of the company and is reviewed periodically during the management review meeting.

General Manager
